Title of Work: *Authority Melts From Me*
Composer: Bobby Avey
Date to be completed: June 2012
Work Length: 60 minutes

Work Description:

A full-length suite to focus on the self-determination of the Haitian people—alluding to the first successful slave rebellion in history and Haiti's subsequent defiance in declaring itself independent of France. Elements of Haitian Vodou drumming rhythms will be incorporated into the fabric of the project, lending a spirit of solidarity. The work will premiere November 2012.

Recording: To be recorded in November 2012, label TBD

Technical Requirements/Specs: Please inquire with artist.
