CMA Showcase Introductory Remarks

For the CMA 2020 showcase, the Aletheia Piano Trio presents a performance of the Fanny Mendelssohn trio, with a cut for showcase length. As an all-female identifying ensemble, we strive to include works by historically underrepresented composers in our programming—for our recording collaboration with the Friends of Chamber Music series, Fanny Mendelssohn's beautiful and underperformed trio was a natural choice. We hope you enjoy our performance and look forward to being in touch following the showcase!
