Paul Whitworth	Narration

Title of Work: *A Dream: The Musical Imagination of Franz Kafka*
Composer: Remy Le Boeuf
Date completed: 2012
Work Length: 20 minutes

Work Description:

A Dream: The Musical Imagination of Franz Kafka focuses on the structural and narrative power of Kafka's short story, *A Dream*, in order to evoke a blurry dreamscape of enchantment, inevitability and one's own inner conflict. Le Boeuf explains, "my goal is to engage the listener by blending the music and story to create a synergy that highlights the beauty in both."

Recording:

A Dream: The Musical Imagination will be released on the next Le Boeuf Brothers recording in 2015.

Technical Requirements/Specs:

Grand piano (Steinway or similar), full drum set with hardware, no cymbal [Canopus R.F.M. Series 916' x 18" BD, 12"x12" and 14" x14" toms) and the Zerkova snare drum (6.5" x 14") or similar], acoustic bass with pickup, bass amp (GK, Acoustic Image, or similar), 4 chairs, 9 music stands, 2 stools, microphones appropriate for the venue size or 1 vocal microphone, 2 piano microphones, 2 saxophone microphones, 4 string microphones, a microphone for the bass amp, microphones for the drum set (kick, snare and overheads).
